159 Sapsucker Woods Road
Ithaca, New York 14850

The following presentations and discussions took place at the Citizen Science Toolkit Conference at the Cornell Lab of Ornithology in Ithaca, New York on June 20-23, 2007.

Note that individual presentations did not originate as formal papers and reflect the more informal, idiosyncratic nature of deliveries prepared specifically for this live event. Participant comments during group discussions are not necessarily exact quotes and may have been paraphrased or edited for clarity.

Documentation of the conference is meant to serve as a resource for those who attended and for others in the field. It does not necessarily reflect the views of the Cornell Lab of Ornithology or individual symposium participants.

This documentation is supported by the **National Science Foundation** under Grant ESI-0610363.

Any opinions, findings, and conclusions or recommendations expressed in this documentation are those of the authors and do not necessarily reflect the views of the National Science Foundation.

These conference proceedings are also available as individual presentations that you may download online. To access those presentations, learn more about citizen science and the Citizen Science Toolkit, or join the ongoing citizen science community, go to:

McEver, C., Bonney, R., Dickinson, J., Kelling, S., Rosenberg, K., and Shirk, J. (Editors). 2007. Proceedings of the Citizen Science Toolkit Conference. Cornell Laboratory of Ornithology, Ithaca, NY, June 20-23, 2007.

Contents

Participants	i	Models of Community Science: Design Lessons from the Field - Candie Wilderman	83
I. Introduction and Overview	1	Yeah, But...Are the Data Any Good? - Sandra Henderson	97
Opening Remarks	3	Provocations/Questions: Citizen Science Project Design - Martin Storksdieck	106
Developing a Citizen Science Toolkit	6		
II. Citizen Science Challenges and Opportunities	11	IV. Technology and Cyberinfrastructure	109
Just Because You Paid Them Doesn't Mean Their Data Are Better - Sam Droege	13	When Pigs Can Really Fly, We'll Build a Tool to Count Them - Steve Kelling	111
NestWatch & Virtual NestWatch: An InterSECTion of Science, Education, Conservation and Technology - Tina Phillips	27	Vital Signs Open Source Data Input Tools- - Sarah Kirn	123
Biodiversity Inventories and Beyond: Bringing Scientists and Communities Together at an Environmental Education Center - Michelle Prysby	37	Projects and Problems: Location, Scale and Precision in Citizen Science - Dave Lemberg	131
Citizen Science as a Catalyst in Bridging the Gap Between Science and Decision-makers - Hague Vaughan	49	Information Commons: A Catalyst for Scientific and Social Innovation - Josh Knauer	139
III. Citizen Science Project Design	67	V. Impacts of Citizen Science	151
Evaluating Citizen Science: Examining the Goals of Citizen Science - Kirsten Ellenbogen	69	From Citizen Science to Policy and Planning: Examples from the United Kingdom - Stephen Baillie	153
The Monarch Larva Monitoring Project: Educational and Scientific Goals and Objectives - Karen Oberhauser	75	Panel Discussion: Impacts of Citizen Science - Kate Haley Goldman, Moderator - Ken Rosenberg - Christy Pattengill-Semmens - Georgia Murray - ZoAnn Morten	165

VI. Community Building for Citizen Science 185

Engaging, Enhancing, and Expanding Community-based Monitoring Programs - Linda Green 187

Engaging Cooperative Extension Volunteers in Citizen Science - Lori Bushway 205

Astronomy for Citizen Scientists and Citizen Scientist Educators - Suzanne Gurton 209

Audubon’s Christmas Bird Count: From 19th Century Conservation Action to 21st Century Citizen Science - Geoff LeBaron 217

Group Discussion on Community Building - Moderator, Eleanor Ely 225

VII. Revelations, Recurring Themes, Controversy, and the Citizen Science Toolkit 233

Working Group Report Outs 235

Citizen Science Toolkit and Closing Discussion 241

Participants

Leslie Allee
Research Associate,
Search for Lost Ladybugs,
Cornell Department of Entomology

Paul Allen
Assistant Director
of Information Science,
Cornell Laboratory of Ornithology

Roberta Ayres
Aquatic Educator &
Naturalist Center Coordinator,
San Francisco Bay 2K Project,
California Academy of Sciences

Stephen Baillie
Director of Populations Research,
British Trust for Ornithology

Rick Bonney
Director of Program Development
and Evaluation,
Cornell Laboratory of Ornithology

David Bonter
Project Leader,
Project FeederWatch,
Cornell Laboratory of Ornithology

Lori Bushway
Senior Extension Associate -
Leader of Adult Outreach,
Garden-based Learning Program,
Cornell Department of Horticulture

Caren Cooper
Research Associate.
Citizen Science and
Bird Population Studies,
Cornell Laboratory of Ornithology

Theresa Crimmins
Instructional Specialist, Sr.,
Arizona Master Watershed
Steward Program,
University of Arizona

Leda Cunningham
Executive Director,
Reef Environmental
Education Foundation (REEF)

Larry DeBuhr
Vice President of Academic Affairs,
Chicago Botanic Garden

Janis Dickinson
Director of Citizen Science,
Cornell Laboratory of Ornithology

Nolan Doesken
State Climatologist,
Community Collaborative
Rain, Hail and Snow Network
(CoCoRaHS),
Colorado Climate Center,
Colorado State University

Sam Droege
Biologist,
Native Bees Survey,
USGS Patuxent
Wildlife Research Center

Betty Dunkel
Center Director/Associate Scientist,
Project Butterfly WINGS:
Winning Investigative Network
for Great Science,
Florida Museum of Natural History

Kirsten Ellenbogen
Director of Evaluation
and Research in Learning,
Science Museum of Minnesota

Eleanor Ely
Editor,
The Volunteer Monitor

Jennifer Forman Orth
Professor,
Life on the Purple Loosestrife,
University of Massachusetts, Boston

Jeff Gerbracht
Application Developer,
Information Science,
Cornell Laboratory of Ornithology

Kitty Gifford
Project Assistant,
NestWatch,
Cornell Laboratory of Ornithology

Citizen Science Toolkit Project Staff Cornell Lab of Ornithology

Rick Bonney
Principal Investigator,
Director of Program Development
and Evaluation

Janis Dickinson
Principal Investigator,
Director of Citizen Science

Jason Mobley
Principal Investigator,
Acting Director of Education

Steve Kelling
Principal Investigator,
Director of Information Sciences

Ken Rosenberg
Principal Investigator,
Director of Conservation Science

Jennifer Shirk
Citizen Science Toolkit
Project Leader

Advisory Board

Larry DeBuhr
Vice President of Academic
Affairs, Chicago Botanic Garden

Eleanor Ely
Editor, The Volunteer Monitor

Sandra Henderson
Citizen Science Programs
Manager, UCAR

Marianne Krasny
Professor of Natural Resources,
Garden Mosaics, Cornell Depart-
ment of Natural Resources

Maureen McConnell
Senior Exhibit Developer, Boston
Museum of Science

William Michener
Associate Director, LTER Network
Office, NEON, University of New
Mexico

Karen Oberhauser
Professor of Fisheries, Wildlife
and Conservation Biology,
Monarch Larva Monitoring
Project, University of Minnesota

Fernando Silva
Former Head of Development
and Planning, Conservation Trust,
Puerto Rico

Linda Green
Program Director,
URI Watershed Watch,
University of Rhode Island
Cooperative Extension

Suzanne Gurton
Education Manager,
Night Sky Network,
Astronomical Society of the Pacific

Cindy Hale
Program Director,
Great Lakes Worm Watch/
Boulder Lake Environmental
Learning Center (ELC)

Kate Haley Goldman
Senior Research Associate,
Institute for Learning Innovation

Sandra Henderson
Citizen Science Programs Manager,
University Center of
Atmospheric Research (UCAR)

Sylvia James
Program Director,
Informal Science Education,
National Science Foundation

Rebecca Jordan
Assistant Professor of Citizen Science
and Environmental Education,
Volunteer Trail Monitoring
for Invasive Plants,
Department of Ecology, Evolution,
and Natural Resources
Rutgers University

Steve Kelling
Director of Information Science,
eBird,
Cornell Laboratory of Ornithology

Sarah Kirn
Vital Signs Program Manager,
Gulf of Maine Research Institute
(GMRI)

Josh Knauer
Director of Advanced Development,
Information Commons,
MAYA Design

Marianne Krasny
Professor of Natural Resources,
Garden Mosaics,
Cornell Department
of Natural Resources

Geoff LeBaron
Director,
Christmas Bird Count,
National Audubon Society

Dave Lemberg
Associate Professor,
Michigan Heritage
Watertrail Program,
Western Michigan University

Bruce Lewenstein
Director,
Seavoss Associates Inc.,
Professor, Cornell Department
of Communications

Caroline Lewis
Director of Education,
Center for Teaching and Learning,
Fairchild Tropical Botanic Garden

Louis Liebenberg
BioBlitz 2006,
CyberTracker Conservation

Kate Litle
Program Coordinator,
Coastal Observation and Seabird
Survey Team (COASST),
University of Washington

John Losey
Associate Professor,
Search for Lost Ladybugs,
Cornell Department of Entomology

Joy Marburger
Research Coordinator,
Great Lakes
Research and Education Center,
National Park Service

Chris Marx
Programmer/Analyst,
Citizen Science,
Cornell Laboratory of Ornithology

Maureen McConnell
Senior Exhibit Developer,
Boston Museum of Science

Donald McCrimmon

VP of Academic Affairs,
Nature Network,
Cazenovia College

Colleen McLinn

Content Information Specialist,
Macaulay Library,
Cornell Laboratory of Ornithology

Terrie Miller

Publisher,
CitizenSci.com and *MAKE* Magazine

Jason Mobley

Acting Director of Education,
Cornell Laboratory of Ornithology

ZoAnn Morten

Executive Director,
The Pacific
Streamkeepers Federation

Georgia Murray

Staff Scientist,
AMC's Mountain Watch,
Appalachian Mountain Club

Karen Oberhauser

Professor of Fisheries,
Wildlife, and Conservation Biology,
Monarch Larva Monitoring Project,
University of Minnesota

Scott Pankratz

Executive Director,
Ecology Project International

Christy Pattengill-Semmens

Director of Science,
Reef Environmental
Education Foundation (REEF)

James Peters

Developer,
BirdBrain and GeoBirds

Tina Phillips

Project Leader,
NestWatch,
Cornell Laboratory of Ornithology

Melissa Pitkin

Education and Outreach Director,
Point Reyes Bird Observatory (PRBO)

Mike Powers

Research Biologist,
Conservation Science,
Cornell Laboratory of Ornithology

Michelle Prysby

Coordinator,
Virginia Master Naturalist Program,
Virginia Tech Department of Forestry

Mary Raczko

Partnership Liaison,
Boston Harbor Islands National Park

Chuck Remington

Director of Field Support,
National Audubon Society

Ken Rosenberg

Director of Conservation Science,
Cornell Laboratory of Ornithology

Jennifer Schaus

Project Leader,
BirdSleuth,
Cornell Laboratory of Ornithology

Jennifer Shirk

Project Leader,
Citizen Science Toolkit Project,
Cornell Laboratory of Ornithology

Roger Slothower

GIS Specialist,
Information Science,
Cornell Laboratory of Ornithology

Rob Stevenson

Associate Professor of Biology,
University of Massachusetts Boston

Flisa Stevenson

Marketing Manager,
Citizen Science and Education,
Cornell Laboratory of Ornithology

Martin Storksdieck

Director of Project Development,
Institute for Learning Innovation

Melissa Studer

Senior Program Officer/
Marine Conservationist,
The Grunion Greeter Project,
Pepperdine University

Christopher Swarth

Sanctuary Director,
Jug Bay Wetlands Sanctuary

Documentation

Catherine McEver

The Bureau of Common Sense

Chip Taylor
Professor of Ecology and
Evolutionary Biology,
Monarch Watch,
University of Kansas

Stephanie Thompson
Evaluator,
Seavoss Associates Inc.

Geri Tierney
PhD Scientist,
SUNY ESF

Paul Treadwell
Distance Learning Advisor,
Cornell Cooperative Extension

Craig Tufts
Chief Naturalist,
FrogWatch USA;
Director,
Citizen Science Programs,
National Wildlife Federation

Timothy Vargo
Research Coordinator,
Neighborhood Environmental
Education Project,
Urban Ecology Center

Hague Vaughan
Director,
Environment Canada's
EMAN Coordinating Office

Candie Wilderman
Founder and Science Director,
Alliance for Aquatic Resource
Monitoring (ALLARM);
Professor, Environmental Science
and Chair, Environmental
Studies Department,
Dickinson College

David Witzel
Managing Director,
Backyard Jungle,
Forum One Communications
