

A close-up photograph of a Snowy Egret bird splashing water in a pond. The bird's long, black beak is pointed downwards, and water is splashing around its feet. The bird's white feathers are visible, and its yellowish-brown head is in focus. The background is a soft, out-of-focus blue and white.

2022 PHILANTHROPY

SPECIAL THANKS TO ALL OUR SUPPORTERS

We are deeply grateful to our members and donors at every level, all of whom make it possible for the Cornell Lab of Ornithology to advance the understanding of nature and engage people of all ages in learning about birds and protecting the planet. Here, we are pleased to recognize Sapsucker Woods Society members and honor and memorial tributes.
